This year, Methodist Mansfield Medical Center celebrated the opening of a newly expanded Emergency Department, Intensive Care Unit, and Telemetry Floor. The $37 million expansion doubled the size of the Emergency Department to 33 treatment rooms, added 12 ICU treatment rooms, and included 36 telemetry patient rooms. Laura Irvine, president of Methodist Mansfield, remarked, “We have a great staff, and we are thankful that so many members of our communities have entrusted Methodist Mansfield with their health. This expansion allows us to continue to deliver quality clinical services in a patient-centered, modern environment of care.”

Shining Examples of Community Leadership

We are grateful to the members of our Community Advisory Board who provide countless hours offering guidance, recommendations, and vision for the health care needs of the communities we serve.

Methodist Mansfield Grows Brighter

In fiscal 2010, Methodist Health System contributed more than $465 million to our local communities, providing over $87 million in unreimbursed charity care and government-sponsored indigent health care. We employ 6,945 professionals. Locally, Methodist Mansfield Medical Center provided more than $11.2 million in uncompensated care and community and government-sponsored indigent health care. We employ 697 health care professionals, making us one of the largest employers in the Mansfield area.

Helping Our Community Shine

Methodist Mansfield is committed to giving back to the community and actively supports activities that improve the health and quality of life of the residents in the communities we serve in southeast Tarrant, Johnson, and Ellis counties. Our employees volunteered thousands of hours in 2010 for community projects like the City of Mansfield’s Wellness Matters Program, Midlothian and Grand Prairie Wellness Programs, Methodist Mansfield Night Out at the Movies, Every 15 Minutes, and Shuttloween events that bring together local community partners to provide education and resources for improved health.

Committed to Brightening Minds

Methodist Mansfield offers numerous health education programs to improve and support healthier lifestyles. Methodist Mansfield and U.T. Health Science-Plano Division provided hand sanitizers to every classroom in the Mansfield ISD, and sponsored a poster contest to promote the importance of hand hygiene and curb the spread of influenza and other communicable diseases.

Methodist Mansfield was recognized for our staff’s commitment to health care and community service.
