

## Emerging Technology for Management and Diagnosis of Indeterminate Biliary Strictures

### Todd Boran, MD

Director of Advanced Endoscopy / Professor of Medicine / University of North Carolina at Chapel Hill

## Evaluation and Technical Strategies for Endoscopic Ablation Therapies of Unresectable Malignant Biliary Obstruction

### David E. Loren, MD

Associate Director, Gastrointestinal Endoscopy / Associate Professor of Medicine / Thomas Jefferson University Hospitals, Philadelphia, PA

## Methodist Health System faculty

### Richard Dickerman, MD

General and Vascular Surgery / Methodist Medical Group / Surgical Director, Kidney and Pancreas Transplant / The Liver Institute at Methodist Dallas Medical Center, Dallas, TX

### Prashant Kedia, MD

Gastroenterology/ Digestive Health Associates of Texas / Medical Director, Interventional Endoscopy Center, Methodist Digestive Institute, Dallas, TX

### Atisha Manhas, MD, FACP

Medical Oncology / Texas Oncology, Dallas, TX

### Parvez Mantry, MD, AGAF, FAASLD

Hepatology / Methodist Medical Group / Medical Director, Liver Institute Research and Hepatobiliary Tumor Program / The Liver Institute at Methodist Dallas Medical Center, Dallas, TX

### Vichin Puri, MD, FACS

Hepatobiliary-Transplant Surgery / Methodist Medical Group / The Liver Institute at Methodist Dallas Medical Center, Dallas, TX

### Inna Shmerlin, MD

Medical Oncology / Texas Oncology, Dallas, TX

### Justin Wray, MD, PhD

Radiation Oncology / Texas Oncology, Dallas, TX

## Course co-directors

### Paul Tarnasky, MD, FACG

Gastroenterology/ Digestive Health Associates of Texas / Medical Director, Methodist Digestive Institute, Dallas, TX

### Vasu Moparty, MD

Medical Oncology / Texas Oncology / Medical Director, Methodist Dallas Pancreas Program / Medical Director, Methodist Dallas Oncology Service Line / Medical Director, Methodist Health System – Texas Oncology locations

### Alejandro Mejia, MD, FACS

Hepatobiliary-Transplant Surgery / Methodist Medical Group / Executive Medical Director, Methodist Organ Transplantation Program at Methodist Dallas Medical Center, Dallas, TX

Methodist Dallas Medical Center  
Methodist Digestive Institute  
1441 N. Beckley Ave.

## 3<sup>rd</sup> Annual Symposium Modern Treatment of Hepatobiliary Disease: A Multidisciplinary Approach

November 3, 2018

8 a.m. to 3 p.m.

Gaylord Texan Resort

Hosted by Methodist Digestive Institute and  
Methodist Dallas Medical Center Cancer Program

### Course Co-Directors

Paul Tarnasky, MD, FACG

Vasu Moparty, MD

Alejandro Mejia, MD, FACS

### Conference Location

Gaylord Texan Resort

1501 Gaylord Trail

Grapevine, TX 76051

*Earn 5.5 CME credits*

## Course description

The third annual Methodist Digestive Institute Symposium brings together nationally recognized experts from a variety of disciplines to share the most up-to-date information about hepatobiliary disease and treatment. Our faculty has been handpicked for their specific expertise in hepatobiliary disease from the perspective of the various disciplines, including medical oncology, gastroenterology, and surgery.

## Symposium features

- Didactic topics presented from three clinical perspectives
- Relevant case presentations
- Panel discussions
- Ample time for questions and discussion throughout the program with colleagues and faculty

## Educational Objectives

1. Implement updates in surgical approaches to resection, transplantation, and palliative surgery in practice.
2. Apply knowledge of etiology and pathology of gallbladder neoplasia to disease management.
3. Evaluate use of endoscopic ablation therapies for unresectable malignant biliary obstruction.
4. Employ emerging technologies to diagnose and manage indeterminate biliary strictures.
5. Relate treatment options for metastatic neuroendocrine tumors.
6. Incorporate the best available chemotherapy and/or radiation treatment for cholangiocarcinoma or gall bladder cancer.

## FACULTY

### Guest presenters

#### Management of Metastatic Neuroendocrine Tumors

##### Alexandria Phan, MD

Medical Director of GI Oncology / Gastroenterological Malignancies Institute Leader / Cancer Center of America, Newnan, GA

#### Systemic Therapy for Advanced Cholangiocarcinoma

##### Keith Stuart, MD

Chairman of Hematology and Oncology / Lahey Hospital & Medical Center / Professor of Medicine / Tufts University School of Medicine, Boston, MA

#### Unlocking Secrets to Gallbladder Neoplasia Etiology & Pathology

##### Juan M. Sarmiento, MD, FACS

Director, Hepatopancreatic Biliary Surgery / Associate Professor, Division of General and GI Surgery / Emory University, Atlanta, GA

#### Transplant Protocol for Cholangiocarcinoma

##### Timucin Taner, MD, PhD

Consultant, Division of Transplantation Surgery, Department of Surgery / Assistant Professor of Surgery / Mayo Clinic, Rochester, MN

## SCIENTIFIC PROGRAM AGENDA

Saturday, November 3, 2018

7 a.m. Registration & Breakfast

8 a.m. Opening Remarks

### Oncology Program

Moderator: Vasu Moparty, MD

8:15 a.m. Management of Metastatic  
Neuroendocrine Tumors

**Alexandria Phan, MD**

8:45 a.m. Systemic Therapy for Advanced  
Cholangiocarcinoma

**Keith Stuart, MD**

9:15 a.m. Case Presentation – Panel Discussion

10:00 a.m. Break

### Surgery Program

Moderator: Alejandro Mejia, MD, FACS

10:20 a.m. Unlocking the Secrets to Gallbladder  
Neoplasia Etiology and Pathology

**Juan M. Sarmiento, MD, FACS**

10:50 a.m. Transplant Protocol for Cholangiocarcinoma

**Timucin Taner, MD, PhD**

11:20 a.m. Case Presentation – Panel Discussion

Noon – 1 p.m. Lunch

### Endoscopy Program

Moderator: Paul Tarnasky, MD, FACG

1 p.m. Evaluation and Technical Strategies  
for Endoscopic Ablation Therapies of  
Unresectable Malignant Biliary Obstruction

**David E. Loren, MD**

1:30 p.m. Emerging Technology for Management and  
Diagnosis of Indeterminate Biliary Strictures

**Todd Baron, MD**

2 p.m. Case Presentation – Panel Discussion

3 p.m. Adjourn

## Symposium venue

Gaylord Texan Resort and Convention Center  
1501 Gaylord Trail, Grapevine, TX 76051

The Gaylord Texan Resort and Convention Center is located about 15 minutes from the Dallas/Fort Worth International Airport and it is about a 35-minute drive from Dallas Love Field.

A convenient structure provides ample parking at the resort for only \$15 per day.

For driving directions to the symposium, use the address above in your navigations system.

## Gaylord Texan hotel accommodations

Methodist Digestive Institute has arranged for a block of rooms at the Gaylord Texan Resort and Convention Center at the special conference rate of \$189 USD per night for a traditional guest room, plus a \$20 per-day resort fee.

The room block and special rates are available until October 1, 2018, at which time the conference rate can no longer be guaranteed. There are instances in which the room block sells out prior to the cutoff date, so please register for the conference and make your hotel reservations early. To make hotel reservations, call 877-491-5138 and mention the “Methodist Digestive Institute Symposium,” or make your reservations online at <https://book.passkey.com/go/MethodistDigestive>.

If you need assistance with travel or hotel accommodations, please call the Methodist Digestive Institute office at 214-933-6601.

Gaylord Texan guests have access to the 4,000-square-foot fitness center, steam rooms, saunas, and spa. The beautiful resort also has an indoor lap pool, a seasonal outdoor splash pool with a spa tub and waterfalls, and a game room. Guests also have access to Cowboys Golf Club, which is a highly-rated, NFL themed, 18-hole course with a clubhouse with sports bar and pro shop.

In addition to the resort facilities, the Gaylord Texan provides shuttle service to the highly rated Cowboys Golf Club, an NFL-themed, 18-hole course with a clubhouse, sports bar, and pro shop, and to Silver Lake Marina, where guests can enjoy water skiing, pontoon boats, fishing, and other water activities. Surcharges apply.

The city of Grapevine offers myriad family-friendly activities and attractions including Grapevine Vintage Railroad, Legoland® Discovery Center, Sea Life Grapevine Aquarium, Palace Theatre, Nash Farm, and winery tours.

In addition to the attractions in Grapevine, the symposium is conveniently accessible to Dallas and all the cultural, entertainment, shopping, family fun, and outdoor activities Big D has to offer.

## Registration fees and cancellation policy

This event is designed for practicing physicians and physician extenders. The fee for all participants for the day long symposium is \$75 per person, which includes the scientific meeting, continental breakfast, lunch, snacks, and all meeting materials.

Methodist Digestive Institute reserves the right to limit the number of registrants. Any registration received after the symposium is full may be placed on a waiting list. Participants will receive a confirmation email when their registration has been confirmed. If the event is full, the registration fee will be refunded in full.

Methodist Digestive Institute reserves the right to cancel or reschedule programs due to circumstances beyond its control or close registration when the program is oversubscribed. Registrants are advised against purchasing nonrefundable airline tickets. Methodist Dallas Medical Center is not responsible for penalties incurred as a result of canceled transportation or lodging. Should your plans change, the courtesy of canceling your registration is appreciated. For further information, please call Methodist Digestive Institute at 214-933-6601 or email [digestivehealth@mhd.com](mailto:digestivehealth@mhd.com).

We encourage participation by all individuals. If you have a disability, advance notification of any special needs will help us better serve you. We will also do our best to accommodate dietary restrictions if notified at the time of registration.

## Accreditation statement

ACCREDITATION

AMA PRA Category 1 Credit™

Methodist Health System is accredited by the Texas Medical Association to provide continuing medical education for physicians.

Credit Designation Statement

Methodist Health System designates this live activity for a maximum of 5.50 credits AMA PRA Category 1 Credit™.

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## Acknowledgment of commercial support

Commercial support for this course is pending and will be disclosed at the symposium.

## REGISTRATION

ONLINE registration: [MethodistHealthSystem.org/mdi-symposium](http://MethodistHealthSystem.org/mdi-symposium)

MAIL form with payment to: Methodist Digestive Institute  
1441 N. Beckley Ave., Dallas, TX 75203

Attn: Hepatobiliary Symposium Registration

For additional course or registration information call 214-933-6601.

## Registration Form

Please print clearly and provide all information.
