

# Community Highlights

## EXPANDING TRAUMA CARE TO SAVE LIVES AND ENHANCE COMMUNITY HEALTH

Methodist Mansfield Medical Center has significantly expanded its trauma care services, now offering 24/7 on-site trauma surgeons ready to provide immediate, lifesaving treatment in critical situations. This enhancement has strengthened this hospital's ability to deliver expert trauma care at the moment it is most needed — right here in the community.

### WHY TRAUMA CARE MATTERS:

With trauma surgeons available around the clock, our team provides:

- Faster, lifesaving interventions
- Advanced care close to home
- Comprehensive treatment for a wide range of injuries
- Increased community safety

## ADVANCING WOMEN'S HEALTHCARE

Methodist Mansfield Medical Center is a leader in women's healthcare, providing advanced, compassionate care tailored to every stage of life.

**Comprehensive Maternity and NICU Services:** Our Level III Maternal Facility and Level III NICU ensure expert care for mothers and babies, from prenatal visits to breastfeeding support, offering peace of mind during life's most precious moments.

**Advanced Breast Health:** The Breast Center features 3D mammography, MRI screenings, and digital ultrasounds for early detection of breast cancer, as well as bone density testing to monitor overall health.

**Minimally Invasive Surgery:** With robotic-assisted, minimally invasive gynecological procedures, the staff ensures precise treatment, reduced recovery times, and improved outcomes for women.

At Methodist Mansfield, the combination of advanced technology and compassionate expertise makes us the trusted choice for women's healthcare.

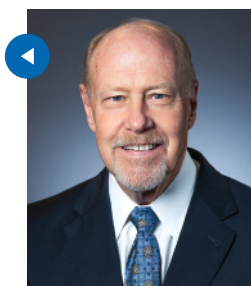

# COMMUNITY WELLNESS

## CHAIRMAN RANDALL CANEDY RECEIVES COMMUNITY SERVICE AWARD

Randall Canedy, Chairman of the Methodist Health System (MHS) Board and a long-time advocate for healthcare in North Texas, was awarded the prestigious Kerney Laday, Sr. Trustee of the Year Award by the DFW Hospital Council. Canedy's two decades of service to Methodist Health System, including leadership roles at Methodist Mansfield Medical Center and the MHS Board of Directors, have significantly impacted the organization.

His advocacy for healthcare worker safety, particularly for legislation protecting Texas hospital workers from assault, highlights his commitment to improving the healthcare environment. Canedy's financial expertise, developed over 31 years as president of Frost Bank, has also played a key role in strengthening Methodist Health System's financial stability.

Additionally, Canedy's leadership was instrumental in advancing the new hospital in Celina, enhancing healthcare access in North Texas.

## CELEBRATING 10,000 ROBOTIC SURGERIES

Methodist Mansfield Medical Center recently marked its 10,000th robotic-assisted surgery. Placing Methodist Mansfield at the forefront of advanced surgical care, robotic-assisted surgeries offer minimally invasive options, shorter recovery times, and better patient outcomes. Since introducing robotic surgery in 2013, the hospital has expanded its capabilities to include oncology, gynecology, urology, and gastrointestinal procedures.

## RECOGNITION FOR EMERGENCY CARE

The Emergency Department at Methodist Mansfield Medical Center is one of just 94 nationwide—and three in Dallas-Fort Worth—to receive the prestigious 2024 Lantern Award from the Emergency Nurses Association. This honor

recognizes excellence in leadership, practice, education, advocacy, and research, symbolizing the team's commitment to quality care, safety, and a healthy work environment. The team's efforts shine through stories like that of a young mother, aided by her 12-year-old son who acted swiftly when she suffered a stroke at home—a testament to their impact and dedication.

## NEURO CRITICAL CARE UNIT SAVES LIVES WITH CUTTING-EDGE AI TECHNOLOGY

Methodist Mansfield's Neuro Critical Care Unit (NCCU) is making a profound impact on the community, having saved dozens of lives since opening in early 2024. This 32-bed facility is redefining neurological care in North Texas, offering lifesaving treatment for conditions such as strokes, brain tumors, and severe spinal injuries.

The cornerstone of the NCCU's success is its use of artificial intelligence (AI) technology powered by RapidAI. This advanced system analyzes and interprets CT scans within minutes, enabling immediate intervention in critical cases.

"Every second matters in neurological emergencies," said Methodist Mansfield President **Juan Fresquez**, MBA. "The speed and precision provided by AI technology are directly saving lives and protecting patients from long-term damage."
