

## Home Health Agencies

\*Care initiated within 48 hours - State Avg.

\*Patient movement improved - State Avg.

\*Patients required ER visits less than 14% of the time

\*Patients requires hospital admission less than 16% of the time

**You have the right to choose your home care provider.** This listing is to serve as an informational guide only. You have complete freedom of choice and are not required to receive services from any of the below agencies.

**August 2020**

This listing was determined by examining publically available Medicare data regarding timely initiation of care, healing rates, and readmission rates to acute-care and ED visits. The agencies on this list participate in quarterly council meetings with the MPCACO to discuss questions, concerns, and updates. This list is to be updated semiannually, in February and August.
